Dear David:

Thank you for your response. The filing of an Affidavit of Use is routine enough for your in-house counsel to handle. To that end, this will confirm that our firm will no longer be handling these trademark matters, and they will be removed from our docket.

On a related matter, would you like for us to forward the files to your offices.
Please advise.

Sincerely,

Deirdre

Our Ref. No. 5421-0300-628

Dear Mr. Gault:

We are writing with respect to the above-referenced trademark, which was registered in the Patent and Trademark Office on September 19, 1995 (see enclosed). In order to maintain this registration, a Declaration of Use must be filed between the fifth and sixth anniversaries of the date of issuance.

The Declaration may be in either of two forms. A Declaration under Section 8 states simply that the mark is presently in use in interstate commerce (or in commerce between a specified foreign country and the U.S.) on some or all of the goods identified in the Certificate of Registration.

A Declaration under Sections 8 & 15, which renders the registration "incontestable", states that the mark is currently in use in interstate commerce and that it has been in such use ***continuously*** for the past five (5) consecutive years.

The non-extendible deadline for filing the Section 8 or combined Sections 8 & 15 Declaration is ***September 19, 2001***. If you have any questions, please do not hesitate to contact us.

We look forward to receiving your instructions.

Sincerely,

Re: Trademark/Service Mark Applications
Mark: WHOLE EARTH CATALOG
Client/Matter 05421-0300

Dear Mr. Maida:

It was a pleasure speaking with you yesterday. Per our conversation, enclosed are the eight applications for the marks "WHOLE EARTH CATALOG" and "WHOLE EARTH REVIEW" to be filed in the United States Patent and Trademark Office.

The applications have been amended to reflect the changes we discussed. You will note that Peggy Lauer's name has been added to the all of the applications as President of Point Foundation. Also, for the "WHOLE EARTH REVIEW" applications, the description of goods now reads "National general interest magazine". The date December 1984 has also been added as the date of first use.

If everything else is in order, please have Ms. Lauer sign and date the documents in the appropriate spaces and return them to my attention. Also, please enclose eight separate checks in the amount of $245.00 each made payable to the "Commissioner of Patents and Trademarks" to cover the filing fees. In addition, as we discussed, please include the black and white drawings of the logos.

If you have any questions or comments, please do not hesitate to call me at (212) 826-5573.

Sincerely yours,

Hayley Matcovsky

4. Class 28. Expand description like Scholastic or one of the others we have done recently.

5. See comments on draft

6. & 7. Class 42. we only can do one class 42 application so it should cover the on-line services and mail order catalog.

Also let's do a class 16 for Whole Earth Catalog using the logo attached. Find out from Jaime if this use dates back to the earliest book (which he has).

Re: *Whole Earth Catalog*

Dear Michael:

Thank you for the call and the benefit of your thoughts.

I conferred by phone today with John Sumser, Executive Director of POINT FOUNDATION, and he has authorized me to proceed with engaging your firm to establish the trademark(s) for *Whole Earth Catalog* and its derivatives, and to formalize the rights agreement and exclusive agency now in place between POINT and LEGACY.

Please initiate the process from your end immediately and let me know what you need from us. I look forward to working together with you and your associates, and I have the sense we will have much to do beyond this phase.

Best,

Tano
